

liquid 9™  
rechargeable

**USER GUIDE**

jupiter ™

Please read instructions and precautions before using the Jupiter Liquid 9 Rechargeable.

UNDERAGE SALE PROHIBITED.

NOT INTENDED FOR USE BY PERSONS UNDER THE LEGAL SMOKING AGE.

WARNING: Jupiter products are intended for use by adults of legal age and not by children or women who are pregnant or breastfeeding.

Jupiter components may be choking hazards. Keep all components away from children and pets. If any components are ingested, immediately consult your doctor or vet or proceed to the emergency room.

WARNING AGAINST USING WITH OTHER DEVICES:

Do not use your Jupiter Liquid 9 Rechargeable with any other devices or products. Recharge the device by plugging the cable supplied into any standard USB port or USB charging adapter.

## charging

- Insert micro-USB into end of the Liquid 9 device.
- Plug USB into active port or wall adapter.
- Halo pulses red, indicating the device is charging.
- Halo changes to solid green once device is fully charged.

*This device is equipped with overcharge protection, allowing it to stay plugged in until used.*

## how to use ↴

*Note: The enclosed device is configured for a .5ml cartridge. If a 1ml cartridge is purchased, then attach the (longer) 1ml sleeve (enclosed).*

*Please ensure cartridge sleeve is installed before attempting to connect cartridge. Remove cartridge sleeve only to change size, or for cleaning.*

- 1 Insert/drop cartridge into device. The magnet will connect cartridge firmly in place.
- 2 Draw on mouthpiece to activate. Device pulses (active feedback) to indicate that it is active during usage.

### **Active feedback indication:**

- One pulse = 30% battery capacity remaining (recharging recommended).
- Two pulses = 10% battery capacity remaining.
- Halo flashes 5 times = battery expired

*To remove an empty cartridge, simply detach and dispose.*

## troubleshooting ↴

**If no activation occurs:** Rotate

- mouthpiece to ensure positive connection.
- Make sure device is charged.

**High resistance to draw:**

- Do not cover air intake holes during activation.

## care & safety ↴

*Device can be separated to clean the magnetic contact points.*

- Remove cartridge if installed, remove cartridge sleeve, then clean with a cotton swab and rubbing alcohol.
- Avoid dropping device.
- Avoid exposure to moisture.
- Do not attempt to repair or modify.
- Intended for adult use only.
- Do not use anything but Jupiter platform cartridges.

- 

## environment & responsibility

Jupiter is committed to seeking out the best practices for the creation of our products to ensure our impact on the world is as positive as the impact our products have on our customers.

## warranty

WARRANTY ONLY covers defects in material or workmanship. Please keep original receipt. Jupiter Research does not offer any refunds for product defects. Jupiter Research only offers exchanges for product defects. Your Jupiter Liquid 9 rechargeable product is warranted against defects in materials and workmanship for a period of 6 months from the date of original retail purchase from an authorized Jupiter Liquid 9 Rechargeable dealer. This warranty excludes damages resulting from abuse, accident, modifications or other causes that are not defects in materials and workmanship. Any customization made to your Jupiter Liquid 9 Rechargeable will void warranty.

If your product is not working properly, DO NOT RETURN IT TO THE STORE.

Return defective parts with your name, mailing address, and original receipt to:

Jupiter Research, LLC  
23040 N. 11th Ave., Ste.107  
Phoenix, AZ. 85027 USA
